

IT
TAKES...

COURAGE

...to give every student of Miami-Dade County Public Schools the high quality education they deserve. It takes dedicated, determined and devoted teachers like the Teacher of the Year winner and finalists pictured above.

Join us as we celebrate the noble teaching profession and acknowledge the skills and passion our teachers bring every day to the education of our children.

The more than 21,000 teachers of Miami-Dade County Public Schools: Working together to give our students the world.
