

PARKING FOR PARENTS AT THE SCHOOL BOARD ADMINISTRATION BUILDING

The School Board Administration Building, 1450 NE 2nd Avenue, is in a section of Miami with very limited parking. The District is challenged to provide adequate parking spaces for the employees who work in the SBAB complex as well as for the visitors who want to attend meetings or appointments with School Board employees. Despite these obstacles, some arrangements are available for parents to park safely.

1. Parents who are attending the monthly meeting of the School Board may park in the 15th Street parking lot, on the corner of NE 1st Avenue, opposite WLRN. The reserved spaces are available on a first come first served basis.
2. Parents who are planning to attend a District advisory committee meeting should contact the organizer of the meeting to request that parking be made available. With adequate notice, spaces may also be reserved in the 15th Street parking lot.
3. Parents with other District business should approach the Security Guard in the 15th Street parking lot. If that lot is full, the Guard will direct the parent to any other available parking space.
4. Parents who have followed these procedures and who were unable to park or who have other concerns about access to the School Board Administration Building are encouraged to contact the Office of Parental Involvement at 305-995-1233.
